PUBLIC SPEAK OUT SESSION:

Dave Milko, 435 Woodland Rd., looking for an update on the access alley collapse behind Woodland Rd. Commissioner Grimes stated that there is still no answer to the problem. The DEP came back to check out the alley and it is not mine subsidence, more testing needs to be done but there is no funding at the moment. The cost of building a retaining wall would be somewhere between \$1.5-\$2 million dollars, which would not necessarily hold the ground from sliding. The Township can only continue to monitor the area and post "Danger" and "Keep Out" signs and a fence until the ground settles.

Ryan Kieffer, 100 Arlene Dr., complaint about neighbor's yard at 98 Arlene Drive. Code Enforcement has been notified and a letter has been sent to the owner of the property.
